

Crittenden Middle School

2020-2021 Uniform Expectations

Considering we are returning to a virtual learning environment, Crittenden's uniform policy will be relaxed for the 2020-21 school year.

We do ask that all students dress within the Newport News Public Schools' dress code expectations while they participate in online learning.

Upon our return in 2020-21, students will not be required to be in full uniform to report to school, but will be required to dress within the Newport News Public Schools' dress code expectations.

We plan to review and collect data for moving forward with our uniform policy. Families will be invited to share their thoughts via surveys at a later date.
